Recipient's Email Address: (Optional for printed gift certificates)

Confirm Recipient's Email Address:

Personal Message (optional):

Message limit is 200 characters.

Delivery Method: Send this gift certificate by email.
 Email it on this date:

Print this gift certificate. I will deliver it myself.

For security reasons, recipients may be required to provide a credit card or bank account to redeem their gift certificate.

When you do enter a Recipient Email Address the gift certificate may be redeemed ONLY by the owner of that email address. If the recipient's email address changes, is sent to the wrong email address, or is lost, it can be canceled or refunded at no charge within 60 days of the purchase date.

As the Gift Certificate Buyer you can either log in to PayPal with your account credentials or (if you don't have a PayPal account) click on **Click Here** and provide payment information such as billing address and credit card information.

Be aware the Recipient must have a PayPal account or sign up for one in order to redeem their gift certificate. This safeguard is intended to protect all parties involved.

How to redeem your gift certificate:

1. Visit <http://www.rimpo.org/april/shop.html>. Shop and find an item you wish to purchase.
2. Click a BuyNow button, which will take you to the PayPal Checkout page. Log in to your account. You must have or register for a PayPal account to redeem this gift certificate. (To register, click [Sign Up](#) now.)
3. When prompted, enter your gift certificate redemption code and follow the last steps to redeem your gift certificate. If the gift certificate doesn't cover your total amount, you will specify what funding source will be used.

Important Terms:

1. Printed Merchant Gift Certificates are transferable if they do not include a recipient email address. For security and verification purposes, you may be required to verify your identity using a credit card.
2. Multiple gift certificates can be redeemed on a single purchase if they are in the same currency. Unused balances may be applied to other purchases.
3. Gift certificates do not expire and do not accrue maintenance fees.
4. Neither the merchant nor PayPal are responsible for lost or stolen gift certificates.
5. Your use of your gift certificate is subject to the following [terms and conditions](#).
